TUITION

Tuition must be paid in advance of the first class. Payment schedule is due with registration and may be paid in full or a payment plan may be arranged with Scott Black or Brice Winston. No tuition will be refunded after three weeks of classes. The financial commitment is for the full school year even if the student withdraws from the school. At the beginning of the school year a space has been committed to that student and it must be financially secured. A \$35 fee will be charged for any check returned for insufficient funds. In the case of a returned check, all subsequent tuition payments must be paid by credit card or money order. Tuition includes a \$50 non-refundable administration fee. A late fee of \$10 will be charged for any tuition not paid by its due date and the student will not be allowed to participate until the tuition and late fee is paid. This policy will be enforced.

We accept all major credit cards as well as checks and money orders made out to the Tucson Jazz Institute. We do not accept cash.
